Making Disciples - Every Nation and Every Generation

Hello from sunny Florida!

I am here raising support for 2 weeks seeing all of the amazing people who make it possible for me to do what I do in London and Europe.

God called me to be a missionary 31 years ago and told me if I would go where He called me to go and do what He called me to do – that He would provide for me. Every year I am overwhelmed by His faithfulness and how He has moved the hearts of so many all over the world to pray, encourage, love and support me for so many years! I have NEVER gone without!

Thank you so much to all of you in America and Europe who continue to be a part of my team! You are reaching generations and nations!

The month of June was a month of mentoring a lot of the ladies I walk with who are students and professionals. One such beautiful lady is Rutendo who is studying to become a doctor. I've loved seeing how God has broken down walls in her heart over the past few months and brought a new joy and life! Sometimes her hospital placements have taken her outside of London during the week so she can't attend Connect Group in person, but she is so keen to keep connected that she does a FaceTime call into the group to participate!

One of my biggest highlights of the month though, is a special baptism. My adopted family here in London is my best friend's sister, brother-in-law and 2 nieces. This past month my best friend and I had the privilege of baptising her sister at their home! It was just the 3 of us and so special! I love seeing what God is doing in and through her and I am so blessed that God has given her and her family to me.

Please continue praying for me during my time in Florida for God's favour and provision. From the 14-18 July I will be joining over 5,000 people from over 80

countries around the world for our Every Nation World conference in Orlando.  
Please pray that this is also a time of refreshing, new relationships and vision for this  
next year!

Love

Traci
