Making Disciples - Every Nation and Every Generation

Dear Family and Friends

I can't believe that January has already been and gone! What a month it was! I left America in the midst of upheaval and transition and moved into my own transition of coming back to the UK with much stricter Covid rules and starting to work with my new Church at Every Nation Slough. I came back to 2 weeks in quarantine and my housemate who was still recovering from Covid.

Let me introduce to you my new Senior Pastors Greg and Suzanne Albrecht. They are both originally from South Africa and actually met here in London at one of our all night prayer meetings many years ago. I was there when the sparks flew! They started pastoring the Slough congregation shortly after it was planted just over 10 years ago.

Growing the church in Slough has had its challenges. It's a place that in the past, has had a reputation of being rough and industrial but, in the last few years was voted as one of the top 25 places to work and live in. All that said, the church has grown to almost 150 adults and 75 children with nations represented from Indonesia, Malaysia, South Africa, Ghana, Nigeria, Poland, England, Scotland, Philippines, Japan, Sri Lanka, The Caribbean, America, Egypt, India, Nepal, Zimbabwe, Ireland, Uganda, New Zealand, Sierra Leone, Kenya, Rwanda, Thailand, Korea, Czech Republic, Burundi, Portugal and Spain. All of this growth in the church has taken place with only Greg working fulltime as Pastor (Suzanne works outside of the church) and Anna their Children's worker on staff 2 ½ days a week, plus some amazing volunteers!

My job role to start with is to come alongside many of the different areas of ministries in the church and to help them to operate more effectively such as Kids, Youth, Connect Groups and Discipleship. Also, once the world opens up again, I will be getting missions going for Europe! Once I have found my feet, I also hope to be involved in teaching, preaching and worship.

For now, building relationships with people in the church is all done by zoom and video calls on our phones which is challenging but working!

Please pray for me and our Slough congregation as we get to know each other. Also, pray for me to have wisdom on how to help the different areas of ministry and to be a blessing to those in the church.

Thank you for being a part of my team! You have no idea what a blessing you are!

Lots of love

Traci
